# PROJECT NAME: ZARIYA ETHNICS E-COMMERCE WEBSITE

## 1. Primary Colors

| Color Name     | HEX Code | Usage                                  |
|----------------|----------|----------------------------------------|
| Russian Violet | #2F184B  | Brand Identity, Navigation Bar, Footer |
| Tekhelet       | #532B88  | Primary Buttons, Important Actions     |

### Description

The primary colors of Zariya Ethnics are deep shades of violet that represent elegance, tradition, and premium ethnic fashion. These colors are used for branding, navigation, and primary user actions.

## 2. Secondary Colors

| Color Name     | HEX Code | Usage                              |
|----------------|----------|------------------------------------|
| Amethyst       | #9B72CF  | Hover States, Highlights           |
| Wisteria       | #C8B1E4  | Product Cards, Section Backgrounds |
| Lavender White | #F4EFFA  | Main Page Background               |

### Description

Secondary colors provide visual balance and improve the overall aesthetic of the website while maintaining a soft and feminine ethnic fashion theme.

## 3. Font Family

For an ethnic fashion website, I recommend:

**Heading Font:** Poppins

| Element | Font    | Size |
|---------|---------|------|
| H1      | Poppins | 36px |
| H2      | Poppins | 30px |
| H3      | Poppins | 24px |

| Element    | Font  | Size |
|------------|-------|------|
| Body Text  | Inter | 16px |
| Small Text | Inter | 14px |

## 4. Button Styles

### Primary Button

- Background Color: #532B88
- Text Color: #FFFFFF
- Border Radius: 8px
- Font Size: 16px
- Padding: 12px 24px

### Hover Effect

- Background Color: #9B72CF
- Transition: 0.3s ease

### Example Usage

- Add to Cart
- Login
- Register
- Proceed to Checkout

These buttons appear throughout your wireframe on the login, product, and checkout pages.

## 5. Spacing Rules

| Component          | Spacing   |
|--------------------|-----------|
| Section to Section | 64px      |
| Product Card Gap   | 24px      |
| Form Field Gap     | 16px      |
| Card Padding       | 16px      |
| Button Padding     | 12px 24px |

### Description

A consistent 8-point spacing system is used across the website to maintain visual hierarchy and improve user experience.
